## COCKTAILS 2 OZ

### MY LITTLE PIRANHA FISH - 14

Tanqueray, Fresh Lemon, Cointreau, Prosecco & BASIII!!

Inspired by the queen of Fawlty towers, this elevated White Lady is elegant and formidable. Traditional but edgy, like Sybil, she has a sweet start, soft round the edges with a dry follow through. If you take her for granted you might get bit. Or lit.

### TRUE BLUE, BABY, I LOVE YOU - 12

Ouzo, Blue Curacao, Taynton Bay Raspberry Vodka, Lemonade

"No more sadness, I kiss it goodbye

The sun is bursting right out of the sky

I searched the whole world for someone like you

Don't you know, don't you know that it's"

It's this freakin drink is what it is. The only blue you'll be feeling is the citrus of curacao in this 'summer in Greece' inspired tall drink of giggly water.

### PEPPERY PATRON PALOMA - 12

Patron Bianco, Grapefruit, Soda, Jalapeno Syrup, Lime

Goin' south of the border (two borders, actually) for this bad boy. We took our love for heat and mashed it into a classic Mexican refresher. Imagine riding naked bareback through a dusty field of giant cactus, midday heat beating on your torched skin when suddenly, out of nowhere you are thrown from your horse into a fresh ground spring, filled with essence of orange blossom and the smell of Mexican oregano enters your olfactory passages. Just imagine that. That'd be weird.

### ROCKET POP - 12

Vodka, Raspberry Sourpuss, Banana Liqueur, 7up, Lime

This tastes like all those preteen summer holidays that you never want to end. When you run too fast at the local outdoor pool and the lifeguard yells at you at the same time as you see your summer crush talking to that traitor besty of yours and you biff it hard, simultaneously humiliating yourself and ripping all the flesh from your knees. But then some kind adult gives you a bohemeth popsicle and suddenly life is sweet again as you give that ex crush of yours the stink eye while the flavour of blueredwhiteorange drips down your chin. You win.

### SPILL THE TEA - 14

Earl Grey Tea, Beefeater Gin, Taynton Bay Grapefruit Tea Vodka, Lemon Juice Clarified Milk, Lavender Bitters

Like a silky satin scarf being delicately draped around your neck in low lighting akin to that of a dodgy eighties music video, this drink is light, delicate and ever so stagedly mysterious. The flavours marry and intertwine to create a wonderful balance that lingers on your palette like a delicious one night stand.

### ORANGE YA GLAD I DIDN'T SAY BANANA? - 12

Captain Morgan's Orange Vanilla, Galliano, Orange Juice

Following the summer childhood popsicle trend, we have whipped up a delicious Creamsicle inspired sipper. Remember Orange Julius? Did you ever down one really fast, get a brain freeze and then walk away from the counter a little too fast and slip on a rogue banana peel, sending you spiraling through a space-time continuum? Neither did we but this adult version is like that. We think.

### IT'S NOT EASY BEING GREEN - 13

Cachaca, Lime, Kiwi, Sugar

Except in this case it's very easy being green because we do it for you. We get you a bunch of delicious fresh green ingredients in a rocks glass with ice and booze and bam you get to drink a fruity Brazilian Caipirinha, presumably with your pals on our delightful patio. So who's green, now?

### ELECTRIC PEACH - 12

Vodka, Peach Schnapps, OJ, Cranberry

We kept this one on because who the hell wants to drink something called a Fuzzy Navel? No one, but lots of you loved this vast improvement on a belly button image conjuring cocktail, so we thought, well, hey, what's another season with the sexy adult Tang vibe, right?

### USE YOUR MELON - 12

Strawberry Vodka, Melon Liqueur, Fresh Lime, Fresh Mint, Soda

Tasting this juicy, refreshing Mojito riff is like being transported onto a boat on the Nile in an elegant Agatha Christy Novel, with Panama hats, pearls and pleated linen at sunset. But with more mint and less murder.

### TROPICAL RUM PUNCH IN THE FACE - IT'S BACK. - 12

Dark Rum, Spiced Rum, Campari, Odd Society Amaro, Pineapple Juice & Lime

If pirates took over an Italian ship, traveling through uncharted waters, in tales of old, this drink would be the result. Very daring and oh, so good.

### COWBOY CAESAR - it never left. - 14

Clamato, Pickle Mix, Worcestershire, Tabasco, Horseradish, Cowboy Spice Rim, Choice of Gin, Tequila or Vodka

We took our pickled Caesar and made it country. Added some horseradish for a bit more of a donkey kick, a Texas spice rim, and a filthy bit of pickled farmer's sausage.

Get your mind out of the gutter and your mouth round one of these.
